

Sharing your Ancestry tree in a few easy steps:

Sign in to your Ancestry account and open your tree. Click share in the upper right corner (highlighted in red).

On the next screen select how you will share. Email seems to produce the best results and what I recommend using.

Last steps: enter the email address rhonda@tracing-you.com. Step 2 is very important. I must have editor status to put people in your tree. Click the drop down menu, select editor. Then click send invites. All done!

The screenshot shows the 'Invite to Family Tree' interface. At the top, there is a title bar with 'Invite to' and 'Family Tree' and a close button. Below this is an information box with an 'i' icon and text: 'Give others the right to view, contribute, or edit your tree. Once you've sent invites, you can manage invitees and their roles on the [Tree Settings](#) page.' Below the information box are three main sections: 'Email', 'Role', and 'Include a personal message (optional)'. The 'Email' section has a dark button with an envelope icon and the text 'Email'. Below it is a text input field for the email address, which is highlighted with a red box and a red arrow labeled '1'. The 'Role' section has a dark button with an 'i' icon and the text 'Role'. Below it is a dropdown menu with 'Editor' selected, highlighted with a red box and a red arrow labeled '2'. Below the 'Role' dropdown is a green button with a plus sign and the text '+ Add another email'. The 'Include a personal message (optional)' section has a text area for a message. Below these sections are three dark buttons: 'Email', 'Username', and 'Shareable Link NEW'. Below the 'Shareable Link' button is a red box with the text 'Send Invites' and a red arrow labeled '3' pointing to it. To the right of the 'Send Invites' button are the words 'or Cancel'. Below the 'Send Invites' button is a red box with the number '3' and a red arrow pointing up to the button. On the right side of the interface, there is a preview section titled 'Invitation preview' with the text: 'Dear [Name], You have been invited to Henry/Kevorkian Working Family Tree on Ancestry.com. You can view and print this family tree as well as historical records, photos, and stories associated with people in the tree. The family tree has 13030 people, 1434 photos, 286 stories and 19457 historical records.'

You will receive an email from Ancestry notifying you that your invitation has been accepted. You may revoke this at any time in your tree settings.
